MEDIUM OF INSTRUCTION (MOD)

It is with great pleasure that I am writing this recommendation letter on behalf of **Mr. AAKASH ACHARYA** (NEB Registration No. 804401700001), one of the talented students in this school. During his stay here, I taught him English language from 2079-081 (2022-2024 A. D.). I found **Mr. ACHARYA** to be one of the most obedient students in our school. As far as I have known him, he was a self-motivated, bright student.

Mr. ACHARYA had studied up to class 10 in an English medium school before he joined this school. His English was good even at the time of his admission here. Pokhara Aadarsha Secondary School helped him further to promote his linguistic efficiency as the medium of instruction is English here and he was able to deal with all the courses comfortably. This English medium environment has given him extra strength to develop his English language even further. I am confident that he can do ever better in his higher studies, using the knowledge of English language he has gained from this institution.

Mr. ACHARYA showed an enthusiastic and active participation in his classes and other extra-curricular activities, too. He was an impressive student who grasped study materials quickly and did every work cheerfully. He showed great responsibility to what he had to do at school. As the teacher of English language, I always found his activities up to my full satisfaction.

I am truly happy with all of his accomplishments and his positive attitude towards everything. His friendly, cooperative nature is worth mentioning. He has my whole hearted recommendation for admission to any reputed university in Nepal or abroad. I am sure he will prove to be a bright student and will contribute a lot to your undergraduate community.

I wish him a successful academic career ahead.

If you have any query regarding him, please feel free to contact me.
